

An Important Note to the User

The Silk Screen Label for SATA Ports 0~3

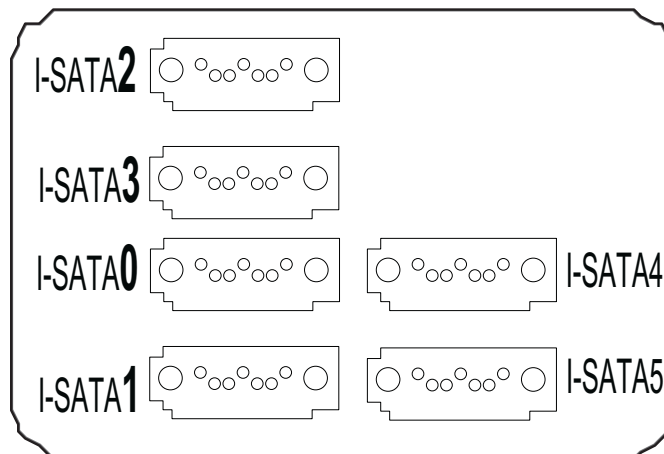

On the C2SBA/C2SBA+/C2SBA+II/C2SBE Revision 1.2 Motherboard

The silk screen label for SATA Ports 0~3 on PCB Rev. 1.2 motherboards is shown below:

PCB Revision 1.2

The correct silk screen label for these SATA ports should be as follows:

PCB Revision 1.2A

This silk screen label change applies to PCB Revision 1.2 motherboards only and has been corrected in subsequent motherboard revisions.
